MARIA CECILIA ANALIA BONZO

Pharmacist | Clinical Research Associate |Clinical Data Management | Oncology, *Multiple Sclerosis* & Vaccines

📞 +54 9 11 4969-2957 • ✉ cebonzo@yahoo.com • Nationality: Argentine and Italian (EU)

PROFESSIONAL PROFILE

Clinical Research Associate (CRA) and Pharmacist with over 15 years of experience in healthcare and 5+ years in global clinical trials (Phases I–III) with leading CROs. Proven expertise in site monitoring, centralized monitoring (RBM), query management, data cleaning, protocol compliance, and GCP adherence. Strong therapeutic focus in oncology and vaccines. Skilled in CTMS/EDC systems (Veeva Vault, Inform EDC), risk-based monitoring tools (KRI dashboards, Spotfire), and regulatory compliance. Certified in GCP, pharmacovigilance, and health data science (Python/SQL). Experienced in cross-functional, multicultural environments and remote site management. Valued for empathy, attention to detail, and cross-functional teamwork. Driven to improve patients' quality of life by contributing to better, safer treatments through clinical research.

EDUCATION & CERTIFICATIONS

- CRA Diploma, Johnson & Johnson, 2022
- Diploma in Clinical Research, PHASE SMO, 2021
- Diploma in Pharmacovigilance, PHASE SMO, 2020
- Postgraduate in Regulatory Affairs, Belgrano University, 2014
- B.S. in Pharmacy, University of Buenos Aires (UBA), 1997
- Health Data Science (Python), TECLAB Institute, 2025

- Master in marketing management (international), USAL and USNY, 2002

Freelance – Clinical Data Science Practice

Data Scientist – Clinical Data Analytics | Oct 2024 – July 2025
- Cleaned and analyzed breast cancer datasets using Python and SQL.
- Built data visualizations and predictive models to detect clinical trends.

IH CLINICAL RESEARCH EXPERIENCE

ICON Clinical Research CRO

CRA (Remote) – Phase III (Vaccines) | May 2023 – Nov 2023
- Conducted remote monitoring and source data verification (SDV) to ensure protocol compliance.
- Oversaw data quality, maintained site performance metrics, and ensured timely eCRF completion.
- Collaborated with cross-functional teams for site activation and supported QA inspections.

SYNEOS Health CRO

Central Monitor – Phase I (Oncology) | Jun 2022 – Oct 2022
- Reviewed subject-level clinical data and trends to detect inconsistencies and protocol deviations.

- Participated in cross-functional data review meetings and supported site risk assessments.
- Issued and resolved queries, ensuring timely database cleaning.

IQVIA CRO

Remote CRA-Central Monitor RBM+ Phase III (Multiple Sclerosis-Oncology)) | May 2021-Jun 2022

- Led centralized monitoring for multiple sites under RBM strategy; monitored KPIs and KRIs.
- Identified high-risk sites and escalated protocol deviations, CAPAs, and trigger alerts.
- Mentored junior monitors and coordinated with site staff to resolve compliance issues.

Central Military Hospital / Pfizer

Clinical Trial Pharmacist – COVID-19 Vaccine Trial | Aug 2020 – Oct 2020

- Managed investigational product logistics, accountability, and temperature excursions.
- Ensured protocol-aligned drug preparation and maintained pharmacy documentation per GCP.

British Hospital

Head of Outpatient Pharmacy | Nov 2020 – Apr 2021

- Supervised dispensing for oncology, HIV, and haemophilia treatments.
- Enforced compliance with ANMAT and institutional SOPs; trained junior pharmacists.

ADDITIONAL HEALTHCARE EXPERIENCE

- Hospital Pharmacist Manager, Hospital Español de Buenos Aires – May 2024 – Sep 2024
- Lead Pharmacist, Various Pharmacy Chains – May 2016 – Jul 2020
